

## **(ii) Racing with Performances**

Certain racing days may from time to time feature advertised events, such as (without limitation) music performances (“Performances”). We hereby give notice to all persons purchasing tickets incorporating Performances (“Race-and-Performance Tickets”) that Performances may be cancelled in circumstances beyond our control, such as the non-appearance of an artiste advertised to perform. We give no guarantee that any Performance will take place; nor do we give any representation or warranty concerning the nature or quality of any Performance which may be held at the Racecourse.

Except as stated herein, tickets are sold subject to the right of the Racecourse to alter or vary the Performance due to events or circumstances beyond its control without being obliged to refund monies or issue vouchers.

Where racing takes place but a Performance is cancelled the Racecourse may in its discretion (but is not obliged to) refund a proportion of the ticket price which the Racecourse considers appropriate in relation to the cancelled Performance.

Where racing is abandoned and a Performance is cancelled the refund policy set out in above shall apply. In circumstances where a full refund does not apply under the policy above the Racecourse may in its discretion (but is not obliged to) refund a proportion of the ticket price which the Racecourse considers appropriate in relation to the cancelled Performance.

Where racing is abandoned at any time but the Performance takes place the refund policy set out above shall not apply and no refund will be made or vouchers issued.
