THE JOCKEY CLUB
NEWMARKET

Hello, unfortunately, all horseracing in Britain has been suspended until 30th April 2020. I'm sure you will feel as sad about this announcement as we do. But these are unprecedented times and we all need to look out for each other.

This decision has been made following the Government's public health guidance regarding avoiding social contact and stopping non-essential travel, and its statement that emergency services are withdrawn from supporting mass gatherings. We will be eager to welcome you back soon – and so will be constantly reviewing this situation in line with guidance.

As an Annual Badge holder you are an important part of The Jockey Club family. We are grateful for and appreciate your support for racing. Clearly, this is a difficult time for our sport and its people.

We will be in touch in the coming days with further information, but we wanted to get in touch and let you know we are working on this for you.

Thank you for your patience, your continued support and your love for racing.

We look forward to seeing you soon – in the meantime take care.

With our best wishes: all of the team at The Jockey Club Newmarket Racecourses.
