ACCESSIBILITY

Aintree Racecourse is committed to ensuring that all guests enjoy a welcoming, inclusive, and accessible experience.

In line with the Disability Discrimination Act (DDA), we place great importance on providing convenient access and appropriate facilities for visitors with disabilities, and we continually look for opportunities to enhance and improve our provisions.

While some of our buildings are older and feature varying floor levels, we work hard to ensure that all guests can access the racecourse with ease, and that key services and amenities are available close to entry points whenever full access is not structurally achievable. In recent years, significant investment and upgrades across the site, including modernisations completed as recently as 2008, have helped us improve our accessibility further.

To support our visitors, we have partnered with AccessAble to create a comprehensive Accessibility Guide, offering detailed, up-to-date information to help guests plan their day with confidence.
You can view the full guide here:
https://www.accessable.co.uk/organisations/aintree-racecourse

Guests who may require additional assistance are warmly encouraged to contact us in advance so we can support their visit or speak to a member of staff on the day.
Please call or email **Carly Sage on 0151 522 2959**

Hospitality

Owners & Trainers are invited to enjoy a complimentary two-course carvery dinner in the **Golden Miller Suite**, located on the **1st floor of the Earl of Derby Grandstand**, just a short distance from the Parade Ring & the badge collection entrance. The Golden Miller Restaurant is course facing, close to the finishing line with a fantastic view of the Racecourse. This area is exclusively for Owners who have runners with us on the day & who are dining with us. It includes a full bar and complimentary tea, coffee & soft drinks.

A delicious carvery buffet will be available until the fifth race, offering a range of freshly prepared options. Tables will be allocated on arrival, & we kindly request that during busy times guests vacate their table once they have finished their meal so that we can ensure everyone is able to dine comfortably throughout the day. There will be additional seating available by the bar area in the Golden Miller Suite as well as seating in the Red Rum Bar.
Please note that tables may be shared with Owners from other horses. If you feel you would like to dine later than the fifth race, please let a member of staff know so that we can make provisions. A wide range of food options is available on course, including choices that cater to common food intolerances, dietary requirements and a children's menu. Please speak to a member of our catering team for assistance.

Aintree Racecourse continues to operate on a **cashless basis** for hospitality and on-site purchases. Cash may still be used when placing bets on-course. **Large syndicates** have the option to forfeit their meal vouchers in exchange for additional admission badges. Syndicate members are also welcome to use the **Syndicate Lounge in the Red Rum Bar**, located on the ground floor of the Earl of Derby Grandstand. This bar is open to **all Owners** throughout the day with a full bar and complimentary tea, coffee & soft drinks.

For those interested in alternative hospitality options or private facilities for the day at a discounted rate, our Hospitality Sales Team would be happy to assist. Please contact us via email Aintree.owners@thejockeyclub.co.uk

The Racing

VIEWING THE RACING

Owners' and trainers' viewing areas are located on a dedicated area on the steps of the Lord Sefton Grandstand and on the balcony of the Golden Miller Suite within the Earl of Derby Grandstand. The Golden Miller Suite balcony is wheelchair accessible.

There are an adequate number of large screens throughout the grandstand, all of which are clearly visible from most viewing positions. There will also be a big screen on the racecourse which you can view from the Golden Miller Suite. Races from other fixtures will also be available to be viewed on the screens in the Owners facilities.

PARADE RING AND WINNER'S ENCLOSURE

Owners will have access to the Parade Ring for the race in which they have a runner, in line with capacity calculation limits. Depending on the amount of runners in a particular race, on busier race days we may need to limit the number of owners and guests who can enter the parade ring for each runner.

The connections of the first four in each race are welcomed into the Winners Enclosure after the race.

Winning & Placed Connections

WINNING CONNECTIONS

Winning Connections will be invited by an Aintree Committee member into the Winners' Enclosure for the trophy presentation, followed by a celebratory glass of champagne in Freebooter where you can watch a replay of the race.

Syndicate owners are also welcome to join in the celebrations, provided they hold an Owners' badge or Syndicate Lounge wristband.

Owners fortunate enough to win a race on the day will receive a commemorative memento, an official photograph, and a DVD (TVinaCard) recording of the race. A winning rosette will be presented to the winning groom. Additional photos will be available to purchase from our Racecourse Photographer.

A digital copy of the winner's photograph will be emailed to the Syndicate Manager within a few days after racing, for them to share with Syndicate members.

Individual USB's of the race will be available to syndicate members on request.

PLACED CONNECTIONS

Placed Connections will receive a champagne voucher, redeemable in either the Golden Miller Owners & Trainers Suite or the Red Rum Bar.
