ACCESSABILITY

With the introduction of the Disability Discrimination Act (DDA) in October 2005, Aintree Racecourse, in common with all premises offering access to the Public in England and Wales, assumed a mandatory obligation to provide easy access to all parts of its premises for people with Disabilities, wherever reasonably practicable. The Act recognizes, however, that full access is not always reasonably achievable in older existing buildings, and therefore states that in these cases people with disabilities should be able to gain easy access into the premises and that the services they require should be made available to them in close proximity to their entry point.

Aintree Racecourse comprises an interlinked grouping of multi-storey buildings on one site, some updated as recently as 2008 and with significant changes in floor levels both between and within individual buildings.

If you would like to find out more about the facilities and access at Aintree Racecourse, a Detailed Accessibility Guide has been created by our partner AccessAble and can be viewed here: <https://www.accessable.co.uk/organisations/aintree-racecourse>

Hospitality

Owners and Trainers will be able to enjoy a two course carvery dinner in the Golden Miller Suite, situated on the 1st floor of the Earl of Derby Grandstand, close to the Parade Ring.

Within this facility you will be able to choose from a complimentary carvery buffet, available up until the fourth race. Tables will be allocated as you arrive, and we kindly ask that you vacate your table once you have eaten so that we can accommodate everyone. Please note, tables may be shared with the Owners of another horse. If you have any dietary requirements, please inform the catering assistants. There will be vegan, vegetarian & gluten free options as well as a children's menu.

We continue to operate on a 'cashless' basis. However, cash may be used when placing bets on-course.

Large syndicates will be given the opportunity to forfeit their meal vouchers for additional badges and will be permitted to use the syndicate lounge in the Red Rum Bar located on the ground floor of the Earl of Derby Grandstand. This bar is available for all Owners to use throughout the day.

If you would like to look at alternative hospitality or a private facility for the day, we can put you in touch with our Hospitality sales team, please email Aintree.owners@thejockeyclub.co.uk

The Racing

VIEWING THE RACING

Owners' and Trainers' viewing areas are on the steps of the Lord Sefton Grandstand and the balcony of the Golden Miller Suite in the Earl of Derby Grandstand. The Golden Miller suite balcony is wheelchair accessible.

PARADE RING AND WINNER'S ENCLOSURE

Owners will have access to the Parade Ring for the race in which they have a runner, in line with capacity calculation limits. Depending on the amount of runners in a particular race, on busier race days we may need to limit the number of owners and guests who can enter the parade ring for each runner.

The connections of the first four in each race are welcomed into the Winners Enclosure after the race.

Winning & Placed Connections

WINNING CONNECTIONS

Winning Connections will be invited into the Winners' Enclosure for the Trophy Presentation followed by a celebratory glass of champagne in Freebooter to watch the race replay.

For those owners fortunate to win races during the day, you will be presented with a winning memento, photograph and a DVD (TVinaCard) recording of the race itself.

PLACED CONNECTIONS

Placed Connections will receive a champagne voucher to redeem in the Golden Miller Owners & Trainers Suite or the Red Rum Bar.

Dress Code

At Aintree Racecourse we believe racing should be enjoyed by anyone and everyone. And one thing is certainly true, the more relaxed and comfortable we feel, the more likely we are to have a great time. So that's why we've created one very simple piece of guidance, to come "dressed to feel your best".
