THE DUCHESS'S STAND

The Oaks Hall

The Oaks Hall is at the epicentre of Epsom Downs and is the first space that greets visitors. Named after the famous flat-race hosted annually at the course, the space has a proven track record with consumer and trade exhibitions. The capacious floor space, open dimensions and ground floor location make it well suited for complete takeovers and ambitious event builds, with easy access for production companies and heavy duty equipment. Popular events hosted in the space have included boxing, cage fighting and even a pop-up supermarket. Oaks Hall is also suitable for large receptions, dinners, weddings, school proms and Bar/Bat Mitzvahs.
