The Jockey Club Room

The double aspect of the Jockey Club Room offers a stylish setting for a post-conference reception or a VIP/speaker lounge. Fully equipped with sophisticated AV and integrated bar facilities, the room has also been used as a press lounge due to its location within the complex and high levels of connectivity. The Prominent views over the turf to the south and the London Panorama to the north has made the Jockey Club Room a popular venue for weddings as well as the perfect spot to watch all the race day action.
