

JOCKEY CLUB VENUES SANDOWN PARK

ICONIC VENUES WITH A UNIQUE RACING HERITAGE

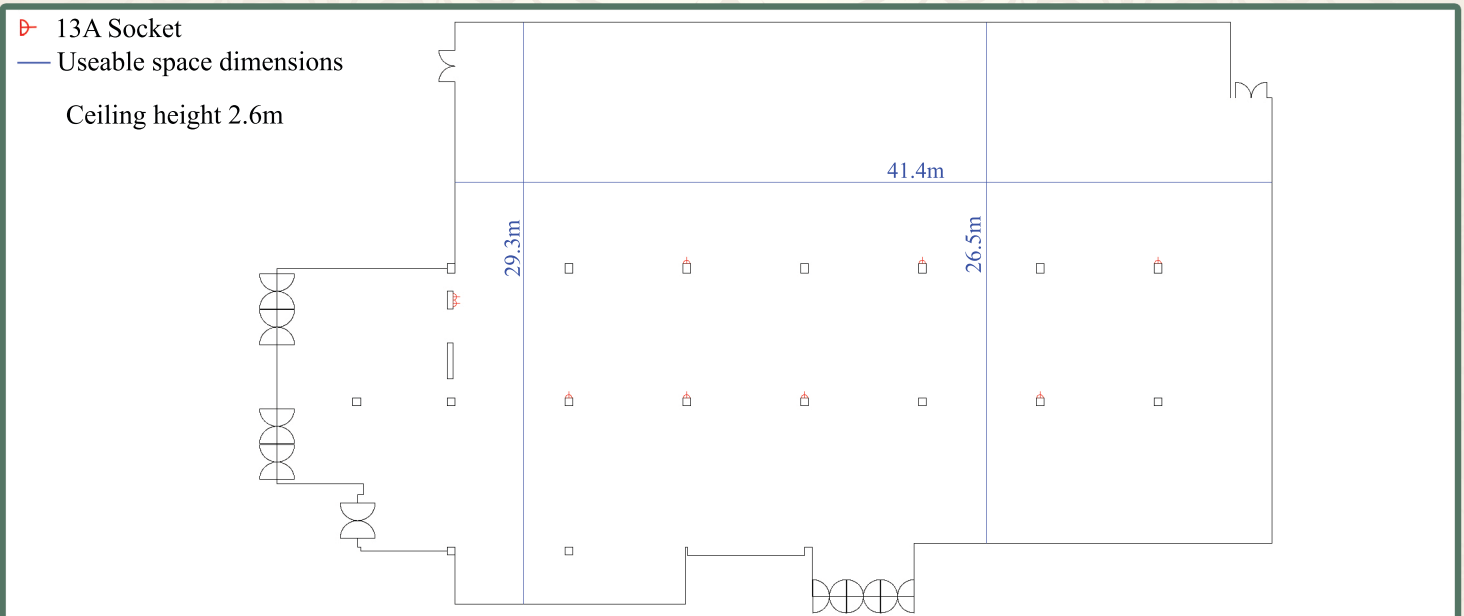

GRANDSTAND

Esher Hall

This large space is a regular host to trade shows and exhibitions and can be combined with the adjacent Surrey Hall to create ambitious expos and live experiences. The room's interior offers a wealth of theming opportunities. Benefiting from good access, organisers will have little problem tailoring Esher Hall to suit the specific requirements of an event and bring a brand to life. The Esher Hall can also be hired for private occasions, accommodating anything from charity events to large-scale weddings.
