A superb renewal of the Old Borough Cup but ready preference is for **RHYTHMIC INTENT** who relished the step up in trip when a most making winner at Newbury (13f) last time and has plenty more to offer here given his liking to soft ground. Tim Easterby's Ebor second **Glencadam Glory** and thriving **Dark Jedi** are both well worth considering, while Australis can have a say too if handling the soft surface.

THE BETFAIR SPRINT CUP

Hello Youmzain (2019 Winner)

The Betfair Sprint Cup is the highlight of the Flat season at Haydock Park and the Group 1 contest over six furlongs is run for the 54th time.

The inaugural running was held on 5th November 1966, and fell to Be Friendly, trained in Epsom by Cyril Mitchell and owned by the BBC's "Voice of Racing" Sir Peter O'Sullevan. Be Friendly was victorious once again in 1967 and remains the only dual victor to date.

Last year saw Hello Youmzain come out on top for Kevin Ryan, a switch to forcing tactics under James Doyle working a treat as he held off the 2018-winner The Tin Man. He was the sixth three-year-old to win the race since 2010.

Youngest Winners:

Be Friendly (1966) and The Blues (1973) were both two-year-olds. The race is now restricted to three-year-olds and upwards.

Oldest Winners:

Boldboy (1977) and Markab (2010) were both seven when successful.

Fastest Winning Time:

Markab (1m 09.40s) in 2010.

Biggest-priced winner:

Invincible Spirit (25/1) in 2002.

Shortest-priced winner:

Dayjur (1/2) in 1990.

The Tin Man (2018 Winner)

Harry Angel (2017 Winner)

ART POWER didn't give his running in the Nunthorpe but had looked a really exciting prospect before that, winning 4 in a row in dominant fashion. This test is sure to suit him better and with 3-y-os having a good record in this Group 1 he's taken to get back on the up. Last year's winner **Hello Youmzain** looks primed for another big run, as do **Dream of Dreams** and the admirable Golden Horde.

VETS SCREEN POLICY

We have agreed with our vets that the screen should be erected, whenever a horse requires veterinary treatment on the course. This does not reflect the severity of an injury, but does help to provide a calm environment, in which the vet is better able to treat the horse.

Please do not assume the worst if you see screens erected around a fallen horse.
