Whilst our Picnic Enclosure is located adjacent to the track, which is the ideal location for visitors wanting to enjoy their own picnics from the comfort of their cars on Bank Holidays and Boxing Day.

What makes a day at the races all the more affordable is that under 18's are free with a paying adult making Huntingdon Racecourse the perfect venue for a family day out.

All about the Ladies

Visitors are spoilt for choice with our fabulous Ladies' Evening in May and Winter Ladies' Day in November. There is every incentive to dress up on both occasions, with Style Awards prizes handed out for the best dressed. They each provide ideal opportunities to come racing with partners and friends. Look out for our tailored packages available at both of these feature meetings.

Beer Festival

The much loved Beer Festival on 3rd November showcases local ales and refreshments as well as top class racing and entertainment.

The Peterborough Chase

The Peterborough Chase is Huntingdon Racecourse's most established and prestigious racing event of the year. Since the race was first staged in 1969 the racecourse has witnessed some of the most famous names in jump racing win the Grade 2 Listed race - including Desert Orchid, Remittance Man, Dublin Flyer, One Man, Best Mate, Edredon Bleu and Monet's Garden. The day not only features exhilarating racing but also a wide array of family entertainment. 2019 celebrates the 50th anniversary of the Peterborough Chase.

Boxing Day

Boxing Day racing is as much a part of Christmas as turkey, mulled wine and crackers. 26th December is a very affordable festive day out for families and one of our most popular race meetings. Gather you friends and family for a traditional and sporting day out, there's free children's' entertainment and under 18's go FREE. Boxing Day at the Races is a wonderful way to continue the festive feeling.
